The Tiger 1953

Dedication

It is with great appreciation, respect, and admiration that we dedicate the 1953 Tiger to Mrs. Estelle Helm, teacher of physical science and English.

With a steadfast faith in her students and a genuine concern for their welfare, Mrs. Helm warmly welcomes them to her classes and gives generously of her time and advice. Her sincere interest in the school and the enthusiasm she shows for her work have won her the hearts of students and colleagues alike. Wherever she goes, she is always recognized for her individual personality.

In Memoriam

Larry Todd

September 27, 1933---January 9, 1952

We, the Senior Class of 1953, devote this page of our yearbook as a memorial to our former friend and classmate Larry Todd, who was killed in an automobile accident, January 9, 1952. Although he will not be present for our graduation, his spirit will be in the hearts of his classmates on that occasion.
